Welcome to the Highland County Classic Sale

On behalf of our sale staff and consignors, allow us to welcome you to the sixth annual Highland County Classic Bred Female Sale. The cattle programs involved in this sale are some of the most respected and progressive through many different states. These programs have raised many champions including promotion bulls, elite donors and champions in the show ring from local, state and national shows. Our consignors have been in the business for many years and in some cases many generations. Their industry knowledge and passion for this business are second to none. We are excited about the consignments they have brought for this year's sale as many of them dug deep into their herds to bring us the best they had to offer.

If you are serious about the show cattle business then you want to be in Hillsboro, Ohio on Saturday, December 14th. We have worked hard at putting together an elite set of extremely well-bred cattle and are excited to see your evaluation of them.

Please feel free to contact any of the sale staff or consignors to visit about the offering. The consignors have a long track record of satisfied customers. We are happy to assist with your purchasing decisions and we can arrange affordable trucking across the United States. Thank you for taking the time to view the offering and we can't wait to see you in Hillsboro!

Sincerely,
Bricen Hess, Sale Representative

MINN *Flashy Lady 360F*

DOB: 3/9/2018

Offered by: Parry Show Cattle

Cow

Simmental 3476638

Sire: Mr. HOC Broker

Dam: HBSC Violet 302A

Pregnancy Check: Sells Open - Ready to Flush

****Sells with 3 embryos by HGTA****

MINN Flashy Lady 360F has been one of my all-time favorites at Parry Show Cattle. A way good one selling here. She is perfect built, perfect structured, and perfect sized to breed many different directions with endless possibilities. These Broker females are highly sought after and did we mention her mother HBSC Violet 302A was the National Grand Champion Chiangus female. We have retained a daughter by Class on Class that is the mother of the flashy Bismarck heifer selling as Lot #4. Her second daughter by Class on Class sold in this sale last year to Ty and Lauren Hamilton for \$15,000. None of this is out of the blue or by slim chance ... Good cattle produce good cattle. Not only does she produce but her daughters do as well. Sells open and ready to flush.

AI: May We All 5/20/2024 Due: 3/19/2025
PE: Rainfall x Champion Hill calving ease son 5/22-7/1/2024
Pregnancy Check: Safe in calf

Ms. Uno Mas 517L is one awesome built purebred Simmental female that will have a very bright future for her new owner. She is perfectly built, great looking and has the structural integrity that it takes for the times. Her mother is a powerful Broker daughter that raised a bull calf by HIA that sold near the top of our spring sale. Breed this one Simmental or clubby and sit back and reap the rewards. A picture is worth a thousand words, so we will let this one do her own talkin'!

AI: Here I AM 6/5/2024

Due: 3/14/2025

PE: No Exposure

Pregnancy Check: Safe AI

Ms. Daddy's Money 104E is extremely square, stout, huge backed, tremendous footed, massive ribbed and bodied. She has the power, bone, and good looks to fit in the top of any program. Her mating to HIA has worked extremely well with all her calves selling for significant premiums. Her heifer by HIA was named Reserve Champion feeder at the very competitive Highland County Fair in 2023. Her steer she raised this year was one of the best we have ever raised. Make a note that this one will easily pay the bills and needs flushed. She is a generator. Due early to the King of the Ring HIA!

 AI: Data Bank 4/2/2024 Due: 1/9/2025
 PE: No Exposure
 Pregnancy Check: Safe AI

TPSC Ms. Bismarck is sure to catch your eye with her elegant, good looks. It's difficult not to love the extra volume and capacity she processes. Bismarck daughters are really making an impact in the show cattle industry. Her aunt TPSC Flashy Lady 360K sold through this ring last year and commanded \$15,000. Her pedigree is backed by several good females including JSC Katie 5S and HBSC Violet 302A the National Grand Champion Chiangus female. Another great female backing this beauty is her grandmother MINN FLASHY LADY 360F selling as Lot #1. This one is special, royally bred, backed by generations of consistent cow power, and due early to the popular Data Bank.

5 TPSC *Ms. Gone Viral*

DOB: 10/12/2022 Offered by: Parry Show Cattle

Offered by: Parry Show Cattle

Maintainer 503873

Due: 3/31/2025

Ms. Poppy 315G has been a solid producer for us and one that is hard to let go. Her first two heifers are past highlights of this sale. Big stout female with tremendous bone and foot size. She is a direct daughter out of the Chopper female that produced so many high sellers and winners for Hess. This line of cattle really works well to IGWT. Poppy's calf this year by IGWT was Grand Champion Crossbred heifer at the Highland County Fair. We are retaining her in our herd, or this one wouldn't be leaving the farm. Safe in calf to IGWT for a quick return on investment.

Maine-Angus 513754

Here is one to excited about. Out of a Missing Link/861M that is an unbelievable producer for Griswold Cattle. F438 is a powerfully constructed tank that has substance and mass coupled with an incredible look from her nose to her tail. She was our pick of the bred heifers at the GCC Classic in 2020. A Maine-Angus beast that you can build a program around. We have her HIA heifer from this year in the keeper pen and she has us excited.

9 TPSC *Ms. Goldrush*

DOB: 2014

Cow

Sire: Gold Rush by Monopoly

Dam: Donor 9970 (Casper x Sugar Ray x Epinal x Cunia)

AI: How Great Thou Art 4/9/2024

PE: No Exposure

Pregnancy Check: Safe in calf

Offered by: Parry Show Cattle

Crossbred

Due: 1/16/2025

Ms. Goldrush is one we purchased a few years back at the Cream of the Crop sale from Kris Black. She is gorgeous necked with the good big feet, sound as ever, and has a mother like no other. Her Donor 9970 has been a backbone and powerline source donor for the Black program. Her daughters have been some of the most elite producers for them, including Donor 410, the over \$300,000 producing dam of Troubadour. We are really excited about how she is mated this year. HGTA back on a Monopoly cow screams success. Let us know when this one hits the ground.

A female that will be effective in both worlds of raising steers and heifers. She was our pick of the bred heifers in the 2023 Two Sales Combined - First Class Dakota Classic. You can only use the term skinny to describe this one's neck, because she's got the robust body shape we demand. A real cool looking female with all the bells and whistles. Meant To Be is a purebred Simmental that goes back to the Diamond tribe, that has collected as many banners and checks in that realm of the industry as any. Due early to How Great Thou Art!

This is another one that originated from Kris Black's Cream of the Crop sale. She is huge bodied, sound, good looking, and comes by it rightfully so. This half-blood Simmental is a direct daughter of the legendary Donor 6557 that resides at the Black Hereford Ranch. 6557 has produced numerous high selling bulls and heifers including the \$50,000 Renae Donor 71. We are retaining a red blaze heifer by EC Rebel that is absolutely phenomenal. Another high-quality young female that is in the prime of her life. Safe to IGWT!

I have an old half blood Double Vision cow that is double clean that I'm pretty sure was born in '08 and she is bred again for next year! I bred her two years ago to Marvel heifer semen and got twin heifers out of her last year. I retained one and put this one in the sale. She is a littler thinner right now but has all the pieces to make a great cow. Bred to the Jones Follow Me son.

Definitely one of the most unique breeding pieces we have offered to date. Very eye appealing female with the big feet and legs. Running gear built for the long haul. High tying in her front 1/3 and ultra balanced from the side. The first female we have offered out of our Candy donor and trust me her maternal sibs have been some of our best producers year in and year out. Look in here folks. Stout, functional, and robust. This female has it all. The most rib shape of any bred heifer we have ever sold. You have to appreciate her in terms of dimension and substance. This one is just flat good livestock. Really upheaded and neat in her front 1/3 for a 3/4 Simmental. I'd love a field full of these easy keeping, good built females. Retaining a flush at buyers convenience and sellers expense.

Big high performing female is an understatement on this black blady female. Stands on big foot with extra bone to match. This female is thick made and as long as they come. This female has a big time pedigree and is as gentle as they come. I bred this female to the Shorthorn bull (TRAIN STATION) used Heifer Plus for a beautiful Shorthorn Plus female.

This smoky beauty is one nice cow. Has that killer look and super sound. 94G comes from a great cow family. 94G is a full sib to DSUL BRIE 9343 the Reserve Champion Char Composite and to a smokey steer that dominated for the Jensen Family in KS. 94G being bred to the now deceased IGWT could just make the next GREAT ONE!

Here is the twin to Vanilla, our daughter's 2023 show heifer. Vanilla has been the most consistent heifer we have ever showed, she earned multiple banners and was the 6th Overall Heifer in the SOS Series. She is also a full sib to the 2022 Kentucky State Fair 5th Overall Market Steer. Proven genetics are in her bloodlines. Get her first calf on the ground and then breed her to make steers and add her to your donor pen.

A incredibly long, stout one here who was my first show heifer and puppy dog broke. She's bred up to six shooter to hopefully throw some color back in the calf. Her half sib sold in this sale last year for \$5,000 and I think this one is equally as good. Plus she has a cool birthmark on the side of her face. Don't miss out here.

A real powerhouse of a Bandwagon x WMW cow here. She's incredibly stout and thick ended while still being so elegant and maternal in her build. She's already raised a handful of really nice calves including the Here I Am steer that's pictured. She's bred up the same way so look in here because this calf she's carrying could be a quick return on investment come February. Don't miss out on this one or let her age be a factor because if you didn't know better you'd think she was only 3 or 4.

HIA x Lot 88 Bull Calf

Real nice female here that will generate when it comes to making good ones.

Drivin 80 x 21Z (Broker x Kadabra) non sort - 3 Embryos

Embryos Offered by: Ohio River Genetics, LLC.
Sire: Drivin 80
Dam: 21Z-Broker x Kadabra

One of our biggest regrets has been not flushing our now deceased, 21Z donor more maternal throughout the years. But hey, when you are the dam to a Champion Prospect Steer at the National Western Stock Show a program has to be committed to the long-term. These eggs are a result of that commitment. Be sure to check out the 21Z female we are offering in this sale for a sample of what Maine genetics can do when used on 21Z!

Icon x 21G - Sexed Female - 3 Embryos

Embryos Offered by: Hess Family Cattle
Sire: DUEL Icon
Dam: 21G (Broker x Hairietta)

Rare opportunity! We hardly ever let any of the 21G embryos go, but we wanted to bring quality to the table! In her first two years in production she has reached \$75,000 in progeny sales with only 6 head being sold. We have held back quite a few daughters that look extremely promising to follow their mother's footsteps. This cow just does not miss. We are going to be putting a bunch of these in ourselves, get on the ground floor of this new mating!

Full sibs to embryos selling

Embryos Offered by: Hess Family Cattle
Sire: In God We Trust
Dam: 54 Donor (Chopper x Balance)

Timeless mating, countless high sellers and winners have come from this cross. It works, it is predictable and it makes money! Full sibs have been Grand Champion Prospect Heifer and 9th Overall Market Steer at the Ohio State Fair, and this mating is averaging right at \$9500 at our place. Buy these, call us when they get on the ground and we will more then likely try to buy them back!

99 *Here I Am x Penny Embryos - IVF Sexed Male*

Embryos Offered by: WFO Show Cattle
Sire: Here I Am
Dam: Penny - Profit x Primo x Tammy

An interesting mating here that I am incredibly excited for and can't wait to get this first set on the ground. Penny would have won the Percentage Simmental for me at Ohio State Fair in 2022. I've always been intrigued by her as to what she can raise when it comes to steers and I'm excited to get these calves on the ground. The lot is 3 reverse sorted male IVF Here I Am x Penny eggs. Guaranteeing one 60 day pregnancy if embryos are put in by a certified embryologist.

Thanks for attending!

Merry Christmas!
